

# Living Water Adopt-A-Child Sponsorship Programme

Adopt-A-Child is a Christian Sponsorship programme working hand in hand with sponsors across the world to provide food, medical and dental care, pastoral and practical care, a spiritual hope and a future for thousands of under-privileged children and vulnerable adults in Guatemala and Albania.

Together we are "Changing the World... One Child at a Time"

- The feeding and care programme is Christian, with its associated values and ethics
- We serve good nutritional meals
- We provide basic dental and medical care
- Only 10% of the monthly sponsorship is deducted for administration costs in the UK
- Only one family/group/individual can sponsor any given child or adult – no multiple sponsorships
- The sponsor can build good relationships with his/her child/adult
- It only costs £20/€22 per month to sponsor a needy child or a Woman In Need

# Alternative Gifts

## Give a gift that makes a long term difference and changes lives.

Choose your gift(s) from the range below. Complete the order form and we will send you cards and descriptions of the gifts you have bought to pass on to the recipients. If you do not wish cards we will treat your order as a donation to that project.

### Relief Food Parcels – £5/€6

Throughout the Covid-19 pandemic we have been distributing food parcels and groceries to the children and families we support and also in the wider communities as funds have allowed. There is great ongoing need in the communities we serve in both Guatemala and Albania for these basic items. Help us to provide a food parcel.

### Women In Need Project – £10/€12

Elderly, widowed and vulnerable adults in poverty are being supported in both Guatemala and Albania. Help us to provide for their basic needs and give them real hope for the future.

### Christmas Fund – £10/€12

Every year at Christmas, all of the children attending our programmes, whether sponsored or not, attend a special Christmas celebration where a meal is served, the Christmas story is shared and each child receives a gift. We do not know what format this will take this year but every child will be blessed in a way that is appropriate, in line with the current restrictions.

### Home Repairs! – £12/€14

Home repairs are constantly needed in Guatemala, especially in the rainy season! £12 will buy a 10 foot sheet of corrugated metal for a family to repair their roof or a row of cement blocks to repair a wall. Help families to make their house a home.

### Starfish Fund – £15/€17

Many of the children we support need medical help beyond the basic care which our own centres can provide. The Starfish Fund pays for medication, scans, tests, operations and equipment to help individual cases.

### Fill their Plates – £20/€22

We never turn a child away from our programmes. At any one time there are around 3000 children needing food and medical care without sponsors to help. £20 will help us care for an unsponsored child for a month.

### Sponsor a child for one year – £240/€264

Bring joy and hope to a child by sponsoring them for one year. This gift will be a blessing to the child and also the sponsor!
